November 2-6, 2012 • Bally’s Las Vegas

Don’t miss this year’s 60th Anniversary Meeting:

- More Credits! Earn up to 52 CME/CMLE/SAM credits
- New sessions including Workload Recommendations and Thyroid Ultrasound Guided FNA
- Returning favorites like Career Planning
- New expert presenters with fresh clinical insight
- Special 60th Anniversary Events
- Plus more! See inside for complete details…

Register today at cytopathologymeeting.org
Dear Colleagues,

Join us in Las Vegas to celebrate our 60th Anniversary!

In 1952, the Inter-Society of Cytology Council commenced its first meeting — 60 years later, the Society continues to provide educational opportunities for the cytopathology professional. The Annual Scientific Meetings have become the premier events in the field of cytopathology, and the Society is tremendously proud of this achievement.

Once again, the Annual Scientific Meeting will provide opportunities for attendees to network and hear about cutting-edge research in cytopathology. The Scientific Program Committee has put together an exciting program highlighted below. Plus, the ASC’s 60th Anniversary Celebration Committee is creating many exciting activities for attendees that we hope you will enjoy.

This year’s program highlights include:

- **Co-discoverer** of Kaposi’s sarcoma-associated herpes virus (KSHV) and Merkel cell polyomavirus (two of the seven known human cancer viruses), **Dr. Yuan Chang** will present the Leopold Koss Lecture.

- This year’s New Frontier Lecturer will be **George D. Lundberg, MD**. Commonly referred to as “Online Health Care’s Medicine Man,” he is a pioneer of the medical Internet and will present “Medical Communications and Information in the Internet Age.”

- As our Guest Lecture, **veterinarian pathologist, Leslie Sharkey, DVM, PhD, DACVP**, will present “Diagnostic Cytology in Veterinary Medicine: What Can Human and Veterinary Cytopathologists Learn from Each Other?”

- **Dr. R. Marshall Austin** will commemorate our 60th Anniversary by sharing the history of the ASC.

- **Hot Topic** Friday Night: **ASC Workload Recommendations for Automated Pap Test Screening** will be moderated by Dr. Tarik Elsheikh and Dr. William Crabtree.

- **NEW!** Half-day Thyroid Ultrasound Guided FNA Course.

- The **Career Session** is back on a different night. Residents, fellows, cytotechnology and student cytotechnologists are invited to help prepare for your future careers.

- Plus, view more **60th Anniversary Commemorative Events** at cytopathologymeeting.org.

We welcome both members and non-members to the Meeting and to join in the celebration of the 60th Anniversary of the American Society of Cytopathology.

We look forward to seeing you in Las Vegas!

Sincerely,

Dina R. Mody, MD, Chair
ASC Scientific Program Committee
Meeting Overview
The American Society of Cytopathology presents an Annual Scientific Meeting consisting of scientific lectures, Workshops, Challenges in Diagnostic Cytomorphology Sessions, Diagnostic Seminar, Strategies in Cytology Education Sessions, Poster and Platform Sessions, Panel Luncheon Seminars, Video Microscopy Tutorials, Roundtable Discussions, President Rounds, a Half-day Thyroid Ultrasound FNA Course, Panel Luncheon with the Presidents and Technical Exhibits.

Target Audience
This meeting is designed for pathologists, cytopathologists, cytotechnologists, students, and other members of the cytopathology community.

Educational Objectives
The American Society of Cytopathology’s 60th Annual Scientific Meeting will:

- Update cytopathologists, cytotechnologists and anatomic pathologists on the current practice of cytopathology, review the latest techniques and guidelines, and update disease classification to achieve better diagnostic accuracy.
- Encourage and promote greater knowledge of Cytopathology, small biopsies and ancillary testing to set the highest standards for quality patient care.
- Foster research in the early diagnosis and effective treatment of human cancer and other diseases.
- Provide a forum for advocacy on behalf of cytopathologists and their patients.

 Earn up to 52 CME and CMLE Credits (26.25 with Basic Registration)
Credits by day: Friday 10.5 | Saturday 12.5 | Sunday 13.25 | Monday 12.25 | Tuesday 3.5
Continuing Medical Education (CME): The American Society of Cytopathology is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American Society of Cytopathology designates this educational activity for a maximum of 52 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Continuing Medical Laboratory Education (CMLE): The ASC designates this activity for a maximum of 52 Continuing Medical Laboratory Education (CMLE) credit hours for non-physicians. The CMLE credit hours meet the continuing education requirements for the ASCP Board of Registry Certification Maintenance Program. Participants should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Pathology Maintenance of Certification (MOC): The 60th Annual Scientific Meeting will have up to 90 courses available to help fulfill the CME requirements mandated by the American Board of Pathology Maintenance of Certification (MOC) process. Each session will show one or more of the following icons to prove what competency areas are satisfied: 🧱🧱🧱🧱🧱

 Earn up to 36.75 SAM Credits (8.5 with Basic Registration)
Self-Assessment Modules (SAMs): The 60th Annual Scientific Meeting will offer 52 additional sessions (maximum of 36.75 credits) requiring completion of (SAM) to test knowledge. The two “Challenges in Diagnostic Cytomorphology” sessions, all Video Microscopy Tutorials, Workshops, Panel Luncheon Seminars, and select scientific sessions qualify for SAMs.

The ASC will provide ONLINE session evaluations for all attendees to complete in order to receive a certificate for CME/CMLE/SAM credits. This activity is approved for continuing education credits in the State of Florida and the State of California.
You’re invited to participate in the

ASC Foundation 5K Run/Walk
In conjunction with the ASC 60th Annual Scientific Meeting

Get Active and Involved!

Help the ASC celebrate 60 years of supporting educational initiatives, research and continuous improvement in the standards and quality of patient care.

The ASC is committed to promoting our Foundation, and your participation in the 5K Run/Walk will help raise money to support our mission and initiatives*. The ASC welcomes both runners and walkers at every fitness level to participate in our early morning 5K Run/Walk. Non-Attendees are also welcome to participate.

Location: Bally’s Las Vegas
Saturday, November 3, 2012
Participants check-in starting at 6:00 am; 5K Run/Walk begins at 6:30 am

Registration Fee: $25 registration fee if received on or before October 20, 2012
$35 registration fee if received after October 20, 2012 or on Run/Walk day

T-shirts: Participants who register by October 1st receive an event T-shirt
(T-shirt supply is limited and not guaranteed for registrations received after October 1st)

Prizes: 1st, 2nd and 3rd place medals will be awarded to both males and females

*Key missions of the ASC Foundation are supporting educational initiatives, research and patient advocacy. Educational enhancement is given by honoring residents, fellows and cytotechnologists with educational travel scholarships to attend the ASC Annual Scientific Meeting, where participants obtain professional development through lectures, workshops, seminars, poster sessions, and diagnostic challenges. Research initiatives are presented as research grants to promote research in the field of cytopathology. Patient Advocacy is demonstrated by several grants the ASC has provided to those who have helped the underprivileged in the United States and abroad.

Proceeds support the ASC Foundation.
The ASC Foundation thanks you for getting ACTIVE and INVOLVED!!!

Visit the ASC Web site for more information and to register cytopathology.org

For questions or additional information: ASC National Office at (302) 543-6583 or asc@cytopathology.org

Apply for ASC Foundation Grants and Scholarships

Scholarship winners from last year had this to say...

“The experience was excellent and would prove a highly rewarding experience for any resident or fellow interested in cytopathology.”

Paul VanderLaan, MD, PhD
Brigham & Women’s Hospital

“I encourage all pathology residents and fellows to attend next year’s Annual Scientific Meeting - see you in Las Vegas!”

Feriyal Bhajee MBChB
University of Mississippi Medical Center

“Overall the experience was one I greatly enjoyed and because of it I plan to continue attending ASC meetings in the future.”

Jamie Larson, BS, CT(ASCP)
Park Nicollet Methodist Hospital

“My experience at the 59th Annual ASC Scientific Meeting in Baltimore, Maryland was of paramount value professionally and personally.”

Andrew Stanton, BS, CT(ASCP)
Northwestern Memorial Hospital

The ASC Foundation is now accepting applications for Grants and Scholarships. Applications will only be accepted on the ASC Web site at www.cytopathology.org. For questions regarding submission of your application, please contact the ASC National Office at (302) 543-6583 or asc@cytopathology.org.

Investigator Grant
The ASC Investigator Grant consists of a two-year $50,000 research award with $25,000 paid annually to the successful applicant. The purpose of the grant is to contribute to the advancement of cytopathology research. Over the last three years, the ASC has been working on defining evidence based recommendations for workload for cytotechnologists who screen image-guided Pap tests. The recommendations were approved by the ASC Executive Board and presented to the Federal Drug Administration (FDA). The FDA strongly supported changing the recommendations, but requires more research on workload practices in laboratories. Special consideration will be given to research projects that involve workload.

Patient Advocacy Grant
The ASC has had an increased emphasis on public education and awareness and understanding of the need to adopt early detection practices – especially women regarding cervical cancers. The ASC Foundation is funding Patient Advocacy Grants, which are available to ASC members, advocacy patient groups and neighboring societies. The ASC Foundation awards one Patient Advocacy Grant ($10,000) annually for ongoing or new projects for advocacy efforts for patients with gynecologic and other cancers, or to educate patients on the need for effective screening programs.

Annual Scientific Meeting Travel Scholarships

Cytotechnologist
The ASC Foundation will award $2,000 each to five qualified cytotechnologists, who are ASC members and in their first two years of practice, to attend the ASC 61st Annual Scientific Meeting in Orlando, Florida. This scholarship, based on need and merit, will defray registration, travel and hotel costs, and will include funding for one workshop, a panel luncheon, and per diem allowance. Foreign recipients will be awarded $4,000 to provide additional compensation for travel expenses.

Fellow/Resident
The ASC Foundation will award $2,000 each to five qualified Pathology Residents or Cytopathology Fellows, who are ASC members to attend the ASC 60th Annual Scientific Meeting in Las Vegas. This scholarship, based on need and merit, will defray registration, travel and hotel costs, and will include funding for one workshop, a panel luncheon, and per diem allowance.

Submission deadline: August 1, 2012
Award notification: September 2012

### Registration

- 2.0 CME/CMLE
- 3.5 CME/CMLE/SAM
- 2.0 CME/CMLE
- 2.0 CME/CMLE
- 1.5 CME/CMLE
- 2.5 CME/CMLE
- 2.5 CME/CMLE
- 2.75 CME/CMLE/SAM
- 1.5 CME/CMLE/SAM

### Lunch

- Continental Breakfast for Registrants of Strategies in Cytology Education and Challenges in Diagnostic Cytomorphology
- Lunch on Your Own

### Hot Topics

- Challenges in Diagnostic Cytomorphology II
  - 2.75 CME/CMLE/SAM
  - Moderator: Dina R. Mody, MD
  - Body Fluids - Richard M. DeMay, MD
  - Cervicovaginal - David C. Wilbur, MD
  - Urinary - Eva M. Wojcik, MD
- Video Microscopy Tutorials 1-3
  - 1.5 CME/CMLE/SAM
  - 1 Liquid-Based Methods for Thyroid FNA
  - Edmund S. Cibas, MD
  - 2 Diagnosing Renal and Adrenal FNA’s: Approach and Pitfalls
  - Guliz A. Barkan, MD, FIAC
  - 3 Pancreatic FNA Cytopathology
  - Edward B. Stelow, MD
- Video Microscopy Tutorials 4-6
  - 1.5 CME/CMLE/SAM
  - 4 Glandular Lesions in Cervical Cytology Specimens: Differential Diagnosis, Morphologic Caveats and Management Decisions
  - David C. Wilbur, MD
  - 5 Look Alikes in Effusion Cytology: Review of Diagnostic Challenges
  - Claire W. Michael, MD
  - 6 Navigating EBUS-guided Aspirations
  - Kristen A. Atkins, MD

### Other Events

- Registration Open
- Video Microscopy Tutorials 7-9
  - 1.5 CME/CMLE/SAM
  - Hot Topic: The ASC Workload Recommendations for Automated Pap Test Screening: What are They? and What “Best Practices” are Recommended for Their Implementation
  
### Special Features

- Continental Breakfast for Registrants of Strategies in Cytology Education and Challenges in Diagnostic Cytomorphology
- Lunch on Your Own

### Additional Information

- Podcast Available to Purchase
- Extra Fee Required

**Saturday, November 3**

- **8:00 am - 8:30 am** Gathering for First-Time Attendees
  - The ASC would like to welcome participants of the Annual Scientific Meeting who are attending for the first time. The Annual Scientific Meeting can be quite large and impersonal if you are alone. The ASC would like to extend a welcoming hand and provide a familiar face in the crowd to those “first-timers.”

- **8:30 am - 9:30 am** ASC Cytotechnologist Business Meeting
  - Members and Non-members can join in this discussion on current issues in Cytotechnology. We hope to see all Cytotechnologists, Cytology State and Regional Organization leaders (SRO), and anyone interested in subjects that focus on Cytotechnologists and Cytotechnology.

- **10:00 am - 11:00 am** State of the Society
  - Lydia P. Howell, MD, ASC President
  - Dorothy L. Rosenthal, MD, FIA, ASC Foundation President
  - William N. Crabtree, PhD, SCT(ASCP), Cytotechnologist Executive Board Member
  - Andrew A. Renshaw, MD, ASC President Elect

- **11:00 am - 11:25 am** History of the ASC and Tribute to Founding Presidents
  - The Little Known Story of the 1952 Founding of the Inter-Society Cytology Council (ISCC)
  - R. Marshall Austin, MD, PhD

- **11:30 am - 12:00 pm** Papanicolaou Address
  - Cytopathology: People, Places and the Profession
  - Awardee: Dina R. Mody, MD
  - The Papanicolaou Award, established in 1958, is the highest Award given by the Society and is presented annually to a physician or PhD member. Recipients are in recognition of meritorious contributions in the field of Cytopathology.

- **12:00 pm - 1:45 pm** Panel Luncheon Seminar 1
  - Detection of Biliary Tract Malignancy: A Novel Method Using FISH, Cytomorphology and Statistical Programming
    - Amy Clayton, MD
    - Kevin C. Halling, MD, PhD

- **12:00 pm - 1:45 pm** Roundtable Discussions 1-8
  - 1 ICD-10 Transition: Are You Ready?
    - Michele A. Smith, MS, SCT(ASCP)
  - 2 Employee Empowerment: The Good, The Bad and The Ugly
    - Donna K. Russell, MS, CT(ASCP)/HT
  - 3 HPV Results as a Quality Monitor
    - Edmund S. Cibas, MD
  - 4 Billing, Coding and Workloads, Oh My!
    - A Self-assessment of Laboratory Management
    - Jackie Cuda, SCT(ASCP)
  - 5 MOC and Recertification: How Does it Affect Cytopathology? An Update from the American Board of Pathology
    - Diane D. Davey, MD
  - 6 International Cytology Consultation through Telepathology – Our Experience after One Year in Practice
    - Jianyu Rao, MD
  - 7 Salt and Pepper: Where’s The Beef?
    - Momin T. Siddiqui, MD, FIAC
  - 8 The ABC’s of CHC: What’s the Use of Gynecologic Cytologic-Histologic Correlation
    - Ann T. Moriarty, MD

- **2:00 pm - 2:45 pm** Guest Lecture
  - Diagnostic Cytology in Veterinary Medicine: What can Human and Veterinary Cytopathologists Learn from Each Other?
    - Leslie Sharkey, DVM, PhD, DACVP

- **2:45 pm - 4:15 pm** Innovations & Trends in Medicine
  - HPV-associated Head and Neck Cancer: Evolving Concepts and Issues
    - Moderator: Mary R. Schwartz, MD
    - Panelists: William Westra, MD
    - Jeffrey F. Krane, MD, PhD
    - Beth Beadle, MD, PhD

Meeting Program

SUNDAY, NOVEMBER 4 CONTINUED

2:00 pm - 3:30 pm  State of the Art Symposium 🎉
2.5 CME/CMLE/SAM
Pancreatic Cytopathology: Past, Present and Future 🎉 🎉 🎉 🎉
Moderator: Syed Z. Ali, MD
Panelists: Martha B. Pitman, MD
Lester Layfield, MD
Joseph Herman, MD

2:00 pm - 3:30 pm  Video Microscopy Tutorials 17-18 🎉
1.5 CME/CMLE/SAM
17 Atypical Epithelial Cells, ASC and AGC: Difficult Interpretations with Challenging Differentials 🎉 🎉
Christine N. Booth, MD
Fadi W. Abdul-Karim, MD
18 Pediatric Cytopathology: Common and Uncommon Entities 🎉 🎉
Sara E. Monaco, MD

3:30 pm - 4:30 pm  Poster Presentation and Exhibitor Refreshment Break

4:30 pm - 5:30 pm  State of the Art Symposium (Continued)

5:30 pm - 6:05 pm  Annual Business Meeting
The agenda includes reports from the Executive Board and ASC Standing and Ad Hoc Committees. The results of the 2012 Executive Board Election will be announced. The 2012-2013 ASC President will be elected and the new President will announce the 2012-2013 Committee Chair Appointments.

7:00 pm - 8:30 pm  Video Microscopy Tutorials 19-21 🎉
1.5 CME/CMLE/SAM
19 EUS-FNA of Pancreatic Cysts 🎉 🎉
Martha B. Pitman, MD
20 Challenges in Head and Neck Cytopathology 🎉 🎉
William C. Faquin, MD, PhD
21 Detection of Biliary Tract Malignancy: Cytomorphology on FISH Applications (CYTOHISTOLOGY INCLUDED) 🎉 🎉 🎉
Amy C. Clayton, MD

MONDAY, NOVEMBER 5

7:00 am - 6:00 pm  Registration Open

7:00 am - 8:00 am  Continental Breakfast with Exhibitors

7:30 am - 9:00 am  Video Microscopy Tutorials 22-23 🎉
1.5 CME/CMLE/SAM
22 EUS-FNA of Pancreas: A Million Dollar, Easy to Follow Morphology Based Practical Algorithmic Approach to Different Diseases 🎉 🎉 🎉 🎉 🎉 🎉
Darshana N. Jhala, MD, BMus
23 Basics in Soft Tissue/Bone Cytopathology (CYTOHISTOLOGY INCLUDED) 🎁 🎁
Paul E. Wakely, Jr., MD

7:30 am - 9:00 am  Workshop 3 🎁
1.5 CME/CMLE/SAM
A Practical Approach to FNA Biopsy of Reactive versus Lymphoproliferative Disorders with Emphasis on Ancillary/Molecular Techniques 🎁 🎁 🎁 🎁 🎁
Simon Bergman, MD
Michael W. Beaty, MD

8:00 am - 9:00 am  Current Issues In Cytology 🎁
2.0 CME/CMLE/SAM
Screen Better, Interpret Better, Manage Better: Insights from PICS and LAST 🎁 🎁 🎁 🎁 🎁 🎁 🎁
Moderator: Rita Noyor, MD
Panelists: Teresa M. Daragh, MD
J. Thomas Cox, MD
Mark H. Stoler, MD
David C. Wilbur, MD
Michael R. Henry, MD
Ann T. Moriarty, MD

Celebrating our 60th Anniversary in Las Vegas
MONDAY, NOVEMBER 5 CONTINUED

9:00 am - 9:45 am  
**Poster Presentation and Exhibitor Refreshment Break**  
(Permanently closing at 10:00 am)

9:45 am - 11:00 am  
Current Issues In Cytology (Continued)

11:00 am - 12:00 pm  
**Leopold Koss Lectureship**  
1.0 CME/CMLE  
KSHV and MCV: Old Themes and New Variations in Human Virus Tumorigenesis  
Yuan Chang, MD

12:00 pm - 1:45 pm  
**Panel Luncheon Seminar 3**  
1.75 CME/CMLE/SAM  
Practical Guidelines for Integrating Emerging Molecular Methods into Your Cytology Practice  
Anna Berry, MD  
Brian T. Collins, MD  
Joel S. Bentz, MD

12:00 pm - 1:45 pm  
**Panel Luncheon Seminar with the Presidents**  
1.75 CME/CMLE/SAM  
The Personal Letters and Life of Dr. George Papanicolaou  
R. Marshall Austin, MD, PhD  
Interact with Past Presidents around small roundtables while enjoying a sandwich buffet. Dr. Austin proceeds into a 60th Commemorative session, sharing pictures and stories of Dr. Papanicolaou and our other founding fathers. This session will leave you proud to be in the field of Cytology and completely appreciative of those before us that paved the way.

12:00 pm - 1:45 pm  
**Roundtable Discussions 17-22**  
1.75 CME/CMLE  
17 What’s New in a Cytology Laboratory?  
Michael R. Henry, MD  
18 Fine Needle Aspiration Immediately Followed By Core Biopsy: Modifying the Cytology Approach  
Mousa A. Al-Abbadi, MD, FIAC  
19 Cell Blocks for Molecular Tests and Immunocytochemistry Applications – Frustrations & Triumphs!  
Vinod B. Shidham, MD, FRCPath, FIAC  
20 Beating the Odds: Challenges in the Management of Cytology Services and Cytopreparatory Techniques  
Debora A. Smith, CT(ASCP)  
21 Sea Change 2012: New Primary Cervical Screening and Management Guidelines Based on the New Pap Screening and LAST Meetings  
J. Thomas Cox, MD

2:00 pm - 3:30 pm  
**Diagnostic Cytology Seminar**  
2.5 CME/CMLE/SAM  
Moderator: Paul E. Wakeley, Jr., MD  
Panelists: Gladwyn Leiman, MBBCCh, FIAC, FRCPath  
Melissa L. Randolph, BS, CT(ASCP)  
Amy C. Clayton, MD  
Joseph D. Jakowski, MD

3:30 pm - 4:00 pm  
**Refreshment Break**

4:00 pm - 5:00 pm  
**Diagnostic Cytology Seminar (Continued)**

5:00 pm - 6:00 pm  
**Award Presentations**  
The ASC will present and honor ALL the ASC highest awards including the Papanicolaou Award, Cytotechnologist Award for Outstanding Achievement and Excellence in Education Award. In addition, the ASC provides awards to support young investigators submitting abstracts to the ASC Annual Scientific Meeting.

6:00 pm - 8:00 pm  
**60th Anniversary Celebration**  
Immediately following the Awards Presentation, join us for our 60th Anniversary Celebration toasting the professional achievements of our Award Winners, Members and Attendees who make the ASC what it is today. Enjoy a complimentary beverage (cash bar will be available) while enjoying smooth jazz sounds. All attendees are welcome and guests can attend for an additional fee.

7:00 pm - 8:30 pm  
**Workshops 4-6**  
1.5 CME/CMLE/SAM  
4 The Role of Cytology in Molecular Diagnosis, Prognosis and Patient Management in Lung Cancer  
Andre Moreira, MD, PhD  
Anjali Saqi, MD  
5 Fine Needle Aspiration and Core Biopsy of Bone and Soft Tissue Neoplasms (CYTOHISTOLOGY INCLUDED)  
Leslie G. Dodd, MD  
Marilyn M. Bui, MD, PhD  
6 Diagnostic Approach to Urine Cytology  
Abdelmonem Elhosseiny, MD  
Sandra N. Giroux, MS, SCT(ASCP), CFIAIC

| 27 | Perils and Pitfalls in Glandular Lesions of the Cervix: Cytohistology and Histology Correlates | (CYTOHISTOLOGY INCLUDED)                                         |
| 12:00 pm | Meeting Concludes                                                                         |                                                                  |

**Included with Basic Registration**

- SAM
- Patient Care
- Medical Knowledge
- Practice-Based Learning and Improvement
- Interpersonal and Communication Skills
- Professionalism
- Systems-Based Practice
- Podcast Available to Purchase

**Extra Fee Required**

- Medical Knowledge
- Practice-Based Learning and Improvement
- Interpersonal and Communication Skills
- Professionalism
- Systems-Based Practice
- Podcast Available to Purchase

Celebrate our **60th Anniversary** in Las Vegas
Exhibit Hall Information

Be a part of the Meeting! Participate in Poster Presentations

Poster Viewing Schedule:

**Saturday, November 3** | 3:30 pm - 9:00 pm
Refreshment Break: 4:15 pm - 4:45 pm*

**Sunday, November 4** | 7:00 am - 9:00 pm
Refreshment Breaks: 9:30 am - 10:00 am and 3:30 pm - 4:30 pm*

**Monday, November 5** | 7:00 am - 10:00 am
Refreshment Break: 9:00 am - 9:45 am*

*Presenters required to be at posters during refreshment breaks.

**Poster Set-up:** Saturday, November 3, 1:00 pm - 3:00 pm. All posters must be in place by 3:00 pm or they will not be considered for an award.

**Poster Dismantle:** Monday, November 5, 10:00 am - 12:00 pm. All posters must be removed by 12:00 pm or they may be discarded.

---

We'll see you in the Exhibit Hall

Exhibit Hall Hours:

**Saturday, November 3** | Welcome Reception, 5:45 pm - 7:45 pm

**Sunday, November 4** | 7:00 am - 12:30 pm and 1:30 pm - 4:30 pm
Closed for Lunch: 12:30 pm - 1:30 pm

**Monday, November 5** | 7:00 am - 10:00 am

---

We would like to acknowledge Exhibitors and Corporate Partners from the 59th Annual Scientific Meeting in Baltimore, Maryland

Celebrate our 60th Anniversary in Las Vegas
Hotel and Travel

Hotel
Bally's Las Vegas
3645 Las Vegas Boulevard South
Las Vegas, NV 89109

With its prime location on the famous Four Corners of The Las Vegas Strip, Bally's Las Vegas boasts a prime address at the center of an amazing array of entertainment options. For nearly 30 years, Bally's has been the pulsating soul of a neon city that refuses to sleep. With its unwavering service, comprehensive dining and signature style, this jewel of the Strip is second to none. See for yourself why Bally's embodies the spirit of Las Vegas.

Reservation deadline: October 1, 2012
Reserve your room online at cytopathologymeeting.org or by calling (702) 967-4111 (online preferred).

Specially Discounted Rates for ASC Attendees!
Single/Double - Friday/Saturday: $159 | Midweek: $109
Extra Person charge: $30

Rates above do not include applicable fees and taxes per room, per night. Guest rooms at Bally’s have been reserved at a negotiated rate and are available on a first-come, first-served basis. Reservations after the October 1st cut-off date are accepted based on a room and rate availability. Check In Time: 3:00 pm; Check Out Time: 11:00 am.

Airport
The McCarran International Airport is the central airport serving the Las Vegas area and is located 4 miles from Bally’s Las Vegas Hotel. It can take 10 minutes to travel to the airport. www.mccarran.com

Transportation
Parking at Bally’s - Hotel guests are offered free self parking.
Las Vegas Monorail - Runs 7 days a week from 7:00 am - 2:00 am Monday through Thursday and until 3:00 am Friday through Sunday. See more details at www.lvmonorail.com.
Citizens Area Transit (Cat) - The double-decker bus provides both economical and environmentally sound transit. A day pass is $5, and one ride is $3. See more details at www.rtsouthernnevada.com/transit.

Travel Service
For our meeting attendees, UNIGLOBE will find the most convenient schedule and lowest applicable fare for any carrier, for reservations:
Phone: (800) 229-1220
Reservation Hours: Monday - Friday, 8:00 am – 6:00 pm (ET)
Web site: www.unigloberedcarpettravel.com
Please reference the following when contacting UNIGLOBE: American Society of Cytopathology 60th Annual Scientific Meeting, Las Vegas.

Stay & Win!
All ASC Attendees who stay at the official hotel, Bally’s Las Vegas, will be entered for a chance to win a prize!
Cancellation and Refunds:

Please Note:

to the ASC National Office.

An additional registration fee of $75.00 is required for guests to attend these events. Please complete the guest portion of the online registration form and submit with payment.

Guest Registration - Registered attendees may want family members to attend the ASC President’s Welcome Reception and/or the 60th Anniversary Celebration Reception. An additional registration fee of $75.00 is required for guests to attend these events. Please complete the guest portion of the online registration form and submit with payment to the ASC National Office.

Please Note: Pre-registration is recommended. If you register onsite, handouts will not be available until after the meeting.

Cancellation and Refunds: All cancellations must be made in writing. 80% of registration fees will be refunded for those received by October 9, 2012. 50% of registration fees will be refunded for those received between October 9, 2012 and October 22, 2012. There is no refund for those received after October 22, 2012.

Register today at cytopathologymeeting.org

### Basic Registration

Benefit from an extensive basic registration package enabling you to earn up to 26.25 CME/CMLE and 8.5 SAM credits for attending Scientific Sessions and Poster and Platform Presentations; plus it provides you free access to 2 continental breakfasts, 5 refreshment breaks and 2 networking receptions.

### Scientific Sessions Include:

- Poster and Platform Presentations
- State of the Society Address
- Papanicolaou Address
- Current Issues in Cytology
- Guest Lecture
- State of the Art Symposium
- Innovations & Trends in Medicine
- Leopold Koss Lectureship
- Diagnostic Cytology Seminar
- New Frontiers
- Hot Topic: Workload Recommendations*
- Career Planning and Growth*

*Space is limited, therefore, pre-registration is required

### Additional Fee Courses

- **Workshops** – Enjoy short 1.5 hour discussions on specific topics – either surg/path, cyto/histo or cytology topics. These non-microscopic workshops emphasize interaction in small groups.

- **Video Microscopy Tutorials** – Interact with experts in the field during these small, informal slide reviews. Presenters project slides through a video microscope to review interesting cases. Participants do not use individual microscopes.

- **Panel Luncheon Seminars** – These interactive seminars focus on a single topic and are presented by nationally known expert(s). The seminars commence with a lunch followed by the lecture. An opportunity for questions and answers is offered at the end of the seminar.

- **Presidents’ Rounds** – To recognize and honor ASC Past Presidents for their years of mentorship and education, interact with our nationally recognized leaders in an informal and intimate setting.

- **Strategies in Cytology Education** – Benefit from a wide range of topics for educators, clinical practitioners, researchers, lab directors, administrators, and supervisors.

- **Roundtable Discussions** – These boxed lunch sessions encourage intimate discussions on different topics. Each table will have one speaker facilitating up to 9 participants. Participants may register for one topic and are NOT PERMITTED to switch tables.

- **Challenges in Diagnostic Cytomorphology** – Sessions I and II provide an update on the challenges encountered in select areas of fine needle aspiration, exfoliative cytology, and strategies to overcome pitfalls. Recent advances and management strategies where appropriate will also be discussed.

- **Ultrasonic Guided FNA Workshop** – NEW! Participate in this half-day interactive course, where you will enjoy a small 4 to 1 registrant to trainer ratio environment. Experience a new hands-on workshop to wrap up your ASC Vegas Meeting experience.

- **Podcasts** - NEW! Individual sessions will be recorded and available for purchase when registering, onsite and post-meeting. Use Live Annual Scientific Meeting sessions as education and gain credit for it back home. Registrants get reduced rates!

- **Guest Registration** - Members save up to 60%!

- **Registration Information**

- **Members**

There is no refund for those received after October 22, 2012.

- **Register today at cytopathologymeeting.org**
60th Anniversary Membership Drive
March 1st to September 1st

I am a Cytopathology Fellow and the ASC is My Society

I am an ASC member because being a cytopathology fellow, I needed an organization that would guide me in my career today, tomorrow and in the future.

Ly T. Ma, MD

I am a Cytotechnologist and the ASC is My Society

I am a cytotechnologist and I chose ASC because being a member allows me to stay current on what’s happening in the field of cytology. The ASC also provides invaluable educational and networking opportunities for cytotechnologists and pathologists alike.

Rachel Q. McMahon, CT(ASCP)

Help a colleague enjoy the same benefits you receive with your ASC membership:

- Interact with Colleagues
- Access to the ASC Listserv
- The ASC Bulletin
- Reduced subscriptions to professional Journals
- Professional Enrichment
- Reduced fees for Educational Activities
- Free eJournal Club
- Access “Members Only” sections of the ASC Web site
- Become a part of the ASC Leadership by participating in committees
- And many more

To celebrate our 60th Anniversary, the Membership Committee would like to add 360 new members this year!

1. To every multiple of 60th member (60, 120, 180 members), the ASC will give a FREE Cyto-econference Archive.

2. To every member who sponsors three members to join the Society, the ASC will give a $60 discount for registration for the 60th Annual Scientific Meeting in Las Vegas.

3. There will be a drawing at the 60th Annual Scientific Meeting for a new iPad, among all new members and the sponsoring members who attend the 60th Annual Scientific Meeting.

Don’t have time to do the leg work? Let the ASC do the work for you.

Go to cytopathology.org and click on Refer-A-Member. Enter your referral’s contact information. The ASC will send your recruit a prospective member packet indicating you referred him/her for membership.

Start earning your rewards today!

Visit: cytopathology.org

American Society of Cytopathology
Foundation
Celebrate Your Mentoring Experience!

As Mentors, you celebrate the legacy of those you have trained, and those who make you proud when they give a lecture, or when you read an article they have written. With a gift of any size to the Foundation, you can make a "DIAMOND" of a special Mentee.

Your Mentee will:

- Receive a thank you card with your name to indicate that you have recognized them.
- Be publicly recognized in the Diamond Showcase on display at the ASC Annual Scientific Meeting, published in The ASC Bulletin and posted on the ASC Web site.
- Know that you shared your professional values through your support of research, education and advocacy programs sponsored by the ASC Foundation.

Your Mentor will:

- Receive a personalized card to indicate that you have honored his/her contributions to your education.
- Be publicly recognized at the ASC Annual Scientific Meeting, published in The ASC Bulletin and posted on the ASC Web site.

Make a Star of Your Mentor

One can never say thank you too much or too often for the gift of mentorship. Make a Star of Your Mentor to show your gratitude through a gift of any size to the ASC Foundation. Give your Mentor a special place in our galaxy as a Shining Star, Gold Star, or Center of the Universe.

Shining Star
A mentor honored in two or more consecutive years.

Gold Star
A mentor honored by five or more mentees.

Center of the Universe
A mentor honored with donations totaling $1,000 or more.

1-CARAT DIAMOND
Up to $999 contribution in honor of your Mentee

5-CARAT DIAMOND
$1,000 to $4,999 contribution in honor of your Mentee
