Included in Basic Registration
Extra Fee Required

** Included in Basic Registration, Pre-Registration Required

6:30 am – 6:00 pm Registration Open

7:00 am – 8:00 am Continental Breakfast for Diagnostic Cytomorphology, Strategies in Education and Microscopic Workshop

8:00 am – 10:00 am Strategies in Cytotechnology Education
The Next Frontier: Training for Future Practice Models
Donald Schnitzler, CT(ASCP)
Stephanie Hamilton, EdD, SCT(ASCP), MB(ASCP)
Karen Atkison, MPA, CT(ASCP)/CMIA

8:00 am – 10:00 am Microscopic Workshop 1
Glandular Lesions in Cervicovaginal Cytology: Patterns and Pitfalls in Various Methodologies
Dina R. Mody, MD
Blythe K. Gorman, MD

8:00 am – 12:15 pm Focus on Diagnostic Cytomorphology I
Moderator: Edmund Cibas, MD Thyroid FNA
Speakers: Syed Z. Ali, MD Salivary Gland
Kristen A. Atkins, MD Pulmonary
Martha B. Pitman, MD Biliary and Pancreatic

10:30 am – 12:30 pm Strategies in Cytotechnology Education (continued)

11:00 am – 12:00 pm Sign-out with the Professor 1
Challenges and Uncommon Entities in Cervicovaginal Cytology
Dina R. Mody, MD

1:00 pm – 2:00 pm Sign-out with the Professor 2
Salivary Gland Cytopathology: Diagnostic Limitations and Pitfalls
Syed Z. Ali, MD

1:00 pm – 2:30 pm Non-microscopic Workshop 1
Traps and Tips in Daily FNA Cytology Practice
Yun Gong, MD
Fang Fan, MD, PhD

1:00 pm – 2:30 pm Video Microscopy Tutorial 1
Cytology of Endoscopic Ultrasound-guided Pancreatic Aspirations
Gregg Staerkel, MD

1:00 pm – 3:00 pm Microscopic Workshop 2
Diagnostic Challenges in Urinary Cytology
Christopher VandenBussche, MD, PhD
Yener Erozan, MD

Included in Basic Registration
Extra Fee Required

** Included in Basic Registration, Pre-Registration Required
1:00 pm – 3:00 pm  Strategies in Cytopathology Education
Cytopathology Milestones and Clinical Competency Committees
Deborah J. Chute, MD
W. Stephen Black-Schaffer, MD
Paul N. Staats, MD
Laura Edgar, EdD, CAE

1:15 pm – 4:00 pm  Focus on Diagnostic Cytomorphology II
Moderator: Edmund Cibas, MD
Speakers: Eva M. Wojcik, MD Urinary Specimens
Richard M. DeMay, MD Cervicovaginal
Sara E. Monaco, MD Effusions

3:30 PM – 4:30 PM  Sign-out with the Professor 3
Usual and Unusual Liver Lesions: A Morphologic Approach
Nirag Jhala, MD

3:30 pm – 5:30 pm  Strategies in Cytopathology Education (continued)

4:00 pm – 5:30 pm  Presidents’ Round 1
Type 1 and Type 2 Cervical Carcinomas: Some Cervical Carcinomas Are More
Difficult to Prevent with Cervical Screening
R. Marshall Austin, MD, PhD

4:00 pm – 5:30 pm  Video Microscopy Tutorial 2
Thyroid Cytopathology: Bethesda and Beyond
Syed Z. Ali, MD

4:00 pm – 6:00 pm  Microscopic Workshop 3
Cyto-histologic Correlation of Squamous and Glandular Lesions in Gynecologic
Cytology
Christine Booth, MD
Fadi W. Abdul-Karim, MD

4:30 pm – 6:00 pm  Basic Registration Workshop 1
The Cell Biology Origins of Cytopathology
Andrew H. Fischer, MD
Manon Auger, MD, FRCP(C)

6:00 pm – 7:30 pm  Non-microscopic Workshop 2
Assessment of Touch Imprint Cytology of Core Needle Biopsies for Specimen
Adequacy: Advantages and Potential Pitfalls
Vijayalakshmi Padmanabhan, MBBS, MD
Güliz A. Barkan, MD

6:00 pm – 7:30 pm  Video Microscopy Tutorial 3
Diagnosing Lymphoproliferative Disorders by FNA Using a Multiparameter
Approach
Nancy Caraway, MD

7:00 pm – 9:00 pm  Hot Topic**
Primary HPV Screening - Pros, Cons and

Included in Basic Registration
Extra Fee Required
** Included in Basic Registration, Pre-Registration Required
Implications for Clinical Practice
Moderator: Robert Goulart, MD
Panelists: R. Marshall Austin, MD, PhD
L. Stewart Massad, MD
Thomas Wright, Jr., MD
